Parent/Guardian Release

The Boys & Girls Clubs of the Western Treasure Valley strive to provide a safe, educationally sound, stable, and welcoming environment for our members and staff. The Club takes extraordinary steps to ensure that these objectives and our mission statement are met. The Member's parent/guardian acknowledges and understands that there are inherent risks in the activities sponsored by the Club. By

participating in such activities, the parent/guardian assumes the risk of injury to the Member. Therefore, I, the parent/guardian of the minor child listed on this application, for myself hereby release, waive, acquit and forever discharge BGCWTV, and Boys & Girls Clubs of

America, their representatives, successors, insurers, assigns or any other person or entity associated with any of the above organizations such as staff, directors or volunteers, from all liability, claims, demands, or causes of action for any and all loss, damage, injury or death and any claim of damages resulting from use of facilities owned or controlled by the above organizations, or participation in activities of said organizations either at or away from the Club.

The Club has a CONTROLLED ACCESS POLICY to help ensure the safety of its members. It is the responsibility of the Member and parent/guardian to determine, understand, and enforce the arrival and departure methods they see fit. Club policy requires Members to sign in upon arrival and sign out when leaving the Club. Members should not arrive at the Club prior to opening and should leave promptly upon closing. I, the parent/guardian, also understand that the Club is not, nor does it claim to be, a licensed day care center.

I attest and verify that I have full knowledge of the risks involved in any participation of the Club's activities and that I will, on be-half of the Member, assume and pay any medical or emergency expenses in the event of accident, illness, or other incapacity regard-less of whether I have authorized such expenses. I attest that the Member is physically fit and sufficiently able to participate in the programs of the Club in conjunction with other members.

I authorize that the Club and its sponsors/partners may utilize images of the Member, which may be taken during involvement in Club programs and activities. This includes using images on the Club's website, Facebook page, and in local news. I consent to such uses and hereby waive all rights to compensation.

Parent/Guardian Agreement					
Please initial to indicate you know and accept the following terms of membership:					
The safety of our members is our number one concern. Adults who have been convicted of crimes against children, or who are registered sex offenders are not allowed in the Boys & Girls Club facility or on Club grounds at any time.					
are not anowed in the Boys & On's Club facility of on Club grounds at any time.					
The Club cannot be held liable for injuries or accidents that may occur at the Club or during Club-sponsored events. The Club does have an insurance policy that covers medical expenses for such accidents.					
Club staff may provide medical assistance to members in the form of CPR, first aid, and transport to medical facilities as deemed necessary and without parental consent.					
Club staff cannot administer medications nor provide over-the-counter drugs to members. Members must bring and be able to self-administer any medications they require.					
The Club cannot be held responsible for the manner in which members arrive and depart. Such arrangements are strictly between the member and their guardians.					
In circumstances where the member repeatedly does not follow Club rules and the safety of others is at risk, a guardian will be contacted and must be able to pick up the Member from the Club immediately.					
All members may be photographed, surveyed or interviewed as those activities pertain to official business of the Boys & Girls Club of Western Treasure Valley.					
No member will be turned away due to inability to pay, however, all membership fees must be paid or payment plan must be in place upon registration completion.					
Members may be surveyed—we work with local providers and periodically survey youth.					
I give permission for my member to be transported in licensed and insured Boys & Girls Clubs vehicles or those contracted by the Club.					
I give permission to BGCWTV to seek and obtain any medical care necessary for my child, and testify that, to the best of my knowledge, accurate information has been provided in all areas of this medical information and release form.
